

Statements and Response to Reviewer's Comments

[Paper Title]

Dear Editor-in-Chief, Associate Editor, and Reviewers:

Thank you for your time and constructive comments on our manuscript. We have carefully revised the manuscript and addressed all comments point by point.

The major updates in this revision are summarized as follows:

1. Clarified key definitions and improved methodological descriptions.
2. Added/updated theoretical analysis and supporting explanations.
3. Expanded experiments or discussions to improve robustness and reproducibility.
4. Revised language, formatting, and references according to journal requirements.

All important revisions in the manuscript are marked using the journal-required format. Detailed responses are provided below.

Best regards,

[Corresponding Author] and Co-authors
